## WACHOVIA

### Solutions. Answers at Your Fingertips.

Wachovia Bank serves the Nonprofit segment with specialized individuals throughout our expansive footprint. Our Relationship Managers, Treasury Services professionals, Credit Managers, Investment Consultants and Relationship Specialists are devoted to the unique needs and concerns of nonprofit clients.

We also realize that a competitive banking solution is especially important. Along with our promise to deliver exceptional service, we offer a 25% discount for NPGD members off of Wachovia standard pricing, excluding any applicable hardware, software, programming and lockbox fees. This applies to new clients/new services only.

Talk to us. We'd like to understand your current banking structure and make appropriate recommendations on accounts, receivables and payables services, information reporting, investments and our complete suite of complementary solutions.
